Want to get more involved in your local community?

Would you like to be more involved in your community? Well, Headington Action is currently looking for volunteers for a range of projects - all aimed at making Headington an even better place to live. You could help us implement the Neighbourhood Plan. It might mean asking local shopkeepers about what they would most like to see, evaluating how accessible Headington is for disabled people, finding costings for possible projects and many more activities. We also need people to work with our Executive team – and possibly join them, in helping to develop all the projects on our webpage. Most roles would be very flexible. You choose how much time to spend and when you'd like to spend it. You may have specific skills that would be useful or your main skill may be that you are prepared to contribute. Either way you would be really welcome and you would know that you are helping to make Headington a great place to live.

If you'd like to know more, come along to our **Volunteer meeting on Monday 28th September at All Saints Church House, New High Street at 7.00 pm.**

If you are interested but can't make that date then contact us at Headington Action – **headington.action@gmail.com**
